

PROFESSIONAL CERTIFICATION 101

The Asheville Area Paralegal Association (AAPA) provides continuing legal education opportunity for our members and others in the legal community through monthly member meetings and semi-annual seminars. This year AAPA is expanding its efforts by reaching out to practicing legal assistants and paralegals and paralegal students to inform them about the various forms of state and national certification options available to them.

AAPA is hosting a special event entitled “Professional Certification 101” which will feature presentations by **Debby Sawyer**, the regional representative of NALA, who will discuss NALA’s Certified Legal Assistant/Certified Paralegal exam and certification and by **Tara Wilder**, the North Carolina Bar Paralegal Division’s Assistant Director, who will discuss the North Carolina Certified Paralegal exam and certification.
